

From February 2nd to 5th is returning FIMMA – Valencia.
Cefla Finishing will be present at the booth “Level 2 - P7 STAND C29”

Is returning the big Spanish fair of the sector! The 37th edition of FIMMA, *the International Fair of Machinery and Tools for Wood, furniture, carpentry and decoration*.

From 2016 February 2nd to 5th at the “Feria de Valencia” - Level 2 - P7 STAND C29 – Cefla Finishing will present [MITO](#), the single or dual-arm spray machine engineered for manufacturers seeking greater efficiency and flexibility. It is suitable for water and solvent-based materials as well as adhesives and all types of substrates; wood, plastic, glass, and metal.

Plus and applications:

- It can be equipped with one or two arms, paper or CFB conveyor and dry filter,
- It ensures productivity increase,
- Coating savings,
- Consistent panel quality,
- Application Fields: Wood - Plastic - Glass - Glue – Metal,
- The In-feed scanner with high precision photodiodes ensures application accuracy and the paint saving,
- Carbon-fiber or paper conveyor belt,
- Newly-designed plenum maximizes transfer efficiency,
- Dual dry-filtration system removes overspray and reduces time of maintenance,

Save the date and see you in Valencia!
